ESSAI - ANTOINE CONDUITE

Trop près pour le format. Apart de blanc pas grand.

Mauvais plan incompréhensible.

Vue Antoine par dessus, au final semble une répétition. Trait trop grossier, pas assez de détails et de subtilités.

Essai que au stylo Pilot.
- Pas grand - Trop près
- Trop de détails
Trop compliqué pour plan qui se demande moins — manque de marge non d'intérêt

Essayer avec encre de chine - pinceau - pour faire plus rond, moins parfait.

Toujours problèmes d'ombres et de lumières, pas assez net, trop brouillon

Point de vue pas mal, mais pas assez de hauteur?
- Assez claire au niveau des ombres et lumières.

Personnage trop statique, trop posé, pas assez dans le mouvement.
